

ART ESCAPE SERIES 2020  
WITH CATHY SHUGG

COME ON AN ADVENTURE

## ART ESCAPE SERIES 2020

Welcome to Kinrara Expeditions - Art Escape Series. We've teamed up with the endlessly talented Cathy Shugg ([www.cathyshugg.com](http://www.cathyshugg.com)) for our inaugural Art Escape Series. Kinrara has never been captured by paintbrush before and we're so excited to experience it first hand; the sunsets, landscapes and boundless water will inspire and revitalise. This unique environment offers artists infinite sources of inspiration, whether it be with the brush, pen or camera.

Kinrara is a remote outback oasis 250kms south west of Cairns. It is the site of Australia's second youngest volcano, with a unique ecosystem and micro climate created by the crystal clear spring water that emerges from deep within the earth. The abundant spring water that feeds the lake and wetlands is responsible for our tropical dry rainforest, the exceptional bird life and concentrations of many other native Australian wildlife species are extraordinary. This incredible diversity of flora, fauna and geology is a true rarity in Australia and the world.

Custodians of the land for 4 generations, the O'Brien family will be your hosts for the visit. You'll have ample opportunity to traverse the operational cattle property, meet locals and soak up the beauty of outback Australia.

## OVERVIEW & PRICING

### WHILE AT KINRARA

*The order of the day first takes into account the weather. This dictates the best experiences and locations for our days adventure. Ample time is devoted to fully immerse oneself in art making if desired and for painters and non-painters alike to enjoy a range of outback and environmental experiences. Delicious meals and snacks are served at the campsite and on locations across the property. All dietary requirements are taken into consideration.*

### WHAT TO BRING

- Pack plenty of layers for weather between 10-30 degrees C
- Sturdy shoes you're ok with getting a little dirty and a pair of Tevas / water booties, if you intend to kayak or enjoy other water activities
- Sun smart clothing, hats and sunscreen
- We supply eco-friendly body wash products. If you wish to use your own, we ask you where possible to bring an eco-friendly equivalent
- Please limit your baggage to 1x soft luggage up to 22kgs and 1x carry on size bag
- Photographers and painters bring your own materials. Cathy will supply an art materials list well before departure

## CAMP OVERVIEW

*MacEachern's Camp has been designed to be sustainable and authentic, to respect the station's unique history and protect our pristine environment. At the heart of the camp is a rustic central pavilion for relaxing, reading, eating and planning of adventures. Eleven private 4x4m safari canvas style tents, all with individual balconies, overlook the water's edge. Just a short walk from your accommodation are two architecturally designed, environmentally friendly sets of eco-toilet and wood fired shower amenities.*
